**TREATMENT**

Charter Fiberlink SC-CCO, LLC and Time Warner Cable Information Services (South Carolina), LLC (collectively, the “Charter Entities”) hereby move this Honorable Commission pursuant to S.C. Code Ann. Regs. 103-804(S)(2) and 103-829 and Rule 41.1 of the South Carolina Rules of Civil Procedure for leave to file under seal and for confidential treatment of Attachment A to this Motion, and respectfully assert as follows:

- (1) Attachment A is a list of certain awarded census block groups assigned to the Charter Entities through the Rural Digital Opportunity Fund (“RDOF”) Phase I Auction (“Auction 904”) subsequently identified for relinquishment and recently submitted to the Federal Communications Commission (“FCC”).
- (2) The Charter Entities consider the census block groups set forth on Attachment A to be highly sensitive, confidential, and proprietary. Thus, strict protection of the information contained on Attachment A from public disclosure is reasonable and appropriate until the FCC publishes its modified list of Charter RDOF Phase I Auction census blocks awarded for funding. Disclosure prior thereto has the potential to commercially harm the Charter

Entities and damage their ability to compete in the marketplace.

- (3) For the foregoing reasons, and believing that just cause exists for maintaining Attachment A in strict confidence, the Charter Entities respectfully request that Attachment A be accepted for filing under seal and that it be maintained under seal and unavailable for public review, copying, and any other access whatsoever.

WHEREFORE, the Charter Entities respectfully request that the Commission accept Attachment A for filing under seal, that it adopt and issue the Charter Entities' proposed order on this Motion attached hereto as Attachment B, and for such other and further relief as the Commission may deem just and proper.

Respectfully submitted,
